LITHIUM AFRICA CORP.

SUPPLEMENT TO THE MANAGEMENT INFORMATION CIRCULAR DATED JULY 29, 2026

This supplement (the "Supplement") amends and supplements the management information circular of Lithium Africa Corp. (the "Company") dated July 3, 2026 (the "Circular") in connection with the annual general meeting of shareholders of the Company to be held on August 21, 2026.

Except as specifically amended by this Supplement, all information contained in the Circular remains unchanged and continues in full force and effect.

The Circular incorrectly lists the number of securities of the Company held by director, Blake Hylands in the table on pages 8 and 7. The correct shareholdings are as follows:

Name, province or state, and country of residence	**Number of securities of each class of voting securities beneficially owned, or controlled or directed, directly or indirectly[(1)]**
Blake Hylands Ontario, Canada	49,342 common shares[(1)]

(1) Mr. Hylands also holds 41,667 options and 2,604 DSUs and the 49,342 common shares held by Mr. Hylands are held through Taurgo Capital Corp.
